SCA and Class Officers should be students that are role models among their peers. They should display school spirit, be active in the school community, think for themselves, follow direction, and more! We are looking for the “do-ers”, the “go-getters”, and the students who can rally their peers and work with adults; therefore, we need your input because you have firsthand knowledge of these students. Please give honest feedback to help us make a great team for the next school year. Please check your recommendation of this student:

- I do NOT recommend this student for an SCA or Class Officer Leadership Position. Please comment on your reservation on the back of this form.
- I recommend this student, with reservation. Please comment on your reservation on the back of this form.
